Case No.: 2:21-CV-0678-JS-AYS

**DECLARATION OF GAYLE M. BLATT
IN SUPPORT OF MOTION TO APPOINT INTERIM LEAD COUNSEL,
INTERIM LIAISON COUNSEL, AND INTERIM EXECUTIVE COMMITTEE**

I, Gayle M. Blatt, hereby declare as follows:

1. I am an attorney licensed to practice law in the State of California and am admitted Pro Hac Vice to this Court. I am a partner in the law firm of Casey Gerry Schenk Francavilla Blatt & Penfield, LLP (“Casey Gerry”) and am counsel of record for plaintiff in the case of *Galloway v. Hain Celestial Group, Inc.*, Case No. 1:21-cv-01067 (E.D.N.Y.)

2. All matters stated herein are based on personal knowledge, except where otherwise indicated. If called as a witness in this matter, I could and would competently testify thereto.

3. This Declaration is being submitted in support of the Motion to Appoint Gayle M. Blatt to an Executive Committee position in this matter and in support of the *Mays* leadership structure.

4. Both I and my firm have already invested time, money and effort in pursuing this litigation, including conducting investigation into the details of the allegations, joining forces with other members of the *Mays* slate to consult with relevant experts, speaking to innumerable concerned parents and purchasers of baby food products and ascertaining an appropriate class representative for this matter.

5. I have worked with the members of the *Mays* proposed leadership structure for months, and have excellent working relationships with them, and with other counsel involved in this litigation.

6. I will fully commit to this litigation and carry out the crucial obligations owed to the Plaintiffs and the putative class. I have fully evaluated the responsibilities involved in participating in leadership in this litigation and am confident I can fulfill those responsibilities.

7. My firm has the personnel and resources to efficiently lead and prosecute these cases. Casey Gerry currently has nineteen attorneys and a full complement of staff. Casey Gerry's attorneys and staff are highly qualified and work as a team. Attached to this Declaration as Exhibit 1 is a current Firm Resume for Casey Gerry.

8. Casey Gerry also has the financial resources necessary to prosecute prolonged class action litigation. The firm has routinely contributed significant sums of money to the litigation coffers in the high-profile cases mentioned herein and continues to do so in cases in active litigation. Casey Gerry self-funds all of its litigation.

9. Beyond the legal and financial resources, Casey Gerry also has a full-time investigative staff whose only job is to conduct investigation of pending and ongoing cases. This staff will assist the prosecution of this litigation, which is helpful, where, as here, meaningful details of certain aspects of the facts are not publicly addressed.

Personal and Firm Qualifications

10. I am the head of Casey Gerry's complex litigation practice group. In that capacity, I have led or helped lead a wide range of class action litigation.

11. I have a long history of experience handling dangerous drug cases and nutritional supplement litigation. For example, I and my firm handled cases relating to the negative health consequences of the use of Baycol, Rezulin, Propulsid, Fen-Phen, L-Tryptophan, Lipokinetix, Metabolife and Hydroxycut, among others, and we served in leadership in many of these matters. These cases involved examination of constituent ingredients and scientific and epidemiological analysis to identify and address the cause of the consumers' harm. In addition, I represented a number of children alleging injury from defective baby formula, which cases resolved by way of settlement after years of litigation. I and my firm have also pursued a number of other product

safety cases for children, including, but not limited to those arising out of a defective safety gate and motor vehicle, stroller, bean bag pillow and water dispenser design.

12. My interest in product safety and labeling, disclosure and warnings also led me to work with my partner David Casey, who was appointed to the Plaintiffs' Steering Committee in *In re: Volkswagen "Clean Diesel" Marketing, Sales Practices, and Products Liability Litigation*, MDL No. 2672 (N.D. Cal.) ("VW Clean Diesel") following a leadership application process involving more than one hundred and fifty applicants on this important matter. In less than a year, Casey Gerry's work helped obtain settlements from Volkswagen totaling \$14.7 billion relating to their 2.0-liter engines. A further settlement involving 3.0-liter engines was negotiated with a value of at least \$1.2 billion. Also, Casey Gerry's work was utilized in getting a separate \$327.5 million settlement from defendant Bosch. Further, although allegations were distinct, an additional case against Audi—the "*Audi CO₂ Cases*," MDL No. 2672 (N.D. Cal.), was consolidated in the *Volkswagen Clean Diesel* MDL, which resulted in a settlement of \$96.5 million.

13. Casey Gerry was also on the Plaintiffs' Steering Committee in *In re: Chrysler-Dodge-Jeep EcoDiesel Marketing, Sales Practices and Products Liability Litigation*, 17-MD-2777 (N.D. Cal.), where my team's work contributed to obtaining a settlement of \$307,406,800 in compensation to class members and an additional \$239.5 million in extended warranty benefits.

14. Currently, I serve on the Plaintiffs' Executive Committees in multidistrict litigation in *In re: ZF- TRW Airbag Control Units Products Liability Litigation*, MDL No. 2905 (C.D. Cal); and *In re: Intel Corp. CPU Marketing, Sales Practices and Products Liability Litigation*, MDL No. 2828 (D. Or.), and I recently served on the Plaintiffs' Executive Committee on *In re: Apple Inc. Device Performance Litigation*, MDL No. 2827 (N.D. Cal.), the \$300,000,000 settlement of which was granted final approval in March, 2021.

15. My experience includes other leadership positions as well. I was appointed by Judge Lucy Koh of the Northern District of California to the five-member Plaintiffs' Executive

Committee overseeing the litigation related to the massive Yahoo! data breaches, collectively the largest data breach in the world. (*In re: Yahoo! Inc. Customer Data Security Breach Litigation*, Case No. 16-MD-02752). I oversaw the drafting of the consolidated master complaint, opposed motions to dismiss, drafted discovery, defended expert depositions, worked with damages experts and participated in settlement negotiations that resulted in a common fund settlement of \$117,500.000.00. I served on the law and briefing committee in the consolidated class action *Adkins v. Facebook, Inc.*, as Co-Liaison Counsel in *In re: Incretin Mimetics Product Liability Litigation*, and served as liaison counsel in cases such as *In re: Sony Gaming Networks and Customer Data Security Breach Litigation* and *In re: Hydroxycut Marketing and Sales Practices Litigation*.

16. I have been appointed as Settlement Class Counsel in the *In re: Citrix Data Breach Litigation*, Case No. 19-cv-61350-RKA (final approval scheduled for June, 2021) and serve as Interim Lead Counsel in *Pfeiffer v. RadNet, Inc.*, Case No. 2:20-cv-09553 (C.D. Cal); as interim co-lead counsel in *In re Warner Music Group Data Breach Litigation*, Case No. 1:20-cv-07473 (S.D.N.Y.), as interim co-lead counsel in *In re: US Fertility Data Security Litigation*, Case No. 8:21-cv-299 (D.Md), and on the Plaintiffs' Executive Committee in *Tate v. EyeMed Vision Care*, Case No. Case No. 1:21-cv-00036-DRC (S.D. Ohio), and in *Carder et al v. Graco Childrens' Products, Inc et al.*, Case No. 2:20-cv-00137 (N.D. Ga).

17. In addition to the matters listed above, my firm and I have extensive experience in contributing to the successful resolution of complicated class actions. In our role as Liaison Counsel in *In re: Wells Fargo Collateral Protection Insurance Litigation*, MDL No. 2797 (C.D. Cal.), Casey Gerry helped obtain a common fund settlement of \$423 million. Referring to the settlement, Judge Guilford stated, "this level of success reflects in part the skill and experience of class counsel, who have worked for many years litigating complex class actions like this one." (Dkt. 338 at p. 7).

18. Casey Gerry is also on the cutting edge of technological and legal developments. Recently, Casey Gerry secured a precedent-setting win against online retail titan Amazon in

Bolger v. Amazon.com, LLC, 53 Cal.App.5th 431 (2020). Bolger was the first state appellate decision in the country holding Amazon strictly liable for defective products sold on its marketplace and ended a long streak of legal wins by Amazon on that issue.

19. Casey Gerry's legacy includes several historic cases as well. Casey Gerry was involved in the prosecution of the *Exxon Valdez* case, representing over 1,000 individual clients who suffered economic injuries from the 1989 Exxon Valdez oil spill. Following a record-breaking verdict, Casey Gerry continued to represent its clients through appeals lasting more than two decades. That litigation culminated in a hearing before the United States Supreme Court 26 years after Casey Gerry's initial involvement.

20. Casey Gerry also played a lead role representing former California Governor Gray Davis in a Private Attorneys General Action relating to tobacco use. That case arose after the State of California declined to recoup health care costs from tobacco product manufacturers for illnesses stemming from tobacco use. Casey Gerry's representation of Gray Davis helped lead to a global settlement of \$206 billion dollars with \$25 billion dollars for the State of California. Casey Gerry also filed the only wrongful death lawsuit in California that focused on smokeless tobacco. And in *In re: World War II Era Japanese Forced Labor Litigation*, MDL No. 1347, Casey Gerry represented World War II veterans forced to labor without compensation.

21. Following the September 11th terrorist attacks, Casey Gerry played a lead role in the Victims Compensation Fund, one of the largest pro bono programs in history. That program involved over 1,000 lawyers working on a pro bono basis to represent victims of the September 11th terrorist attacks. The scope of that project cannot be overstated: 1,092 lawyers volunteered their service to help 1,745 individuals obtain over \$2.25 billion dollars in compensation, which required the complicated analysis and application of law from 70 states and countries regarding the recovery rights of heirs.

22. I am a former President of the Consumer Attorneys of San Diego, a former board member of the Consumer Attorneys of California and am the immediate past president of the San Diego County Bar Foundation. I was named one of the Top 50 Influential Professionals, San

Diego Daily Transcript 2019; Top 500 Influential Business Leaders, San Diego Business Journal 2019; 2019-2021 Southern California Super Lawyers -Top 10 Lawyers in San Diego; Top 25 Women Lawyers in San Diego; SD Metro's San Diego's Top Attorneys 2021; Law Dragon 500 Leading Plaintiff Consumer Lawyers 2019 and 2020; Daily Journal Top Women Lawyers 2021, and I am named annually in Best Lawyers in America.

23. I have been named Best of the Bar by the San Diego Business Journal, have been honored with Three Outstanding Trial Lawyer Awards by the Consumer Attorneys of San Diego and have been named one of the San Diego Daily Transcript's Top Lawyers in San Diego. I also serve on the Board of Trustees for California Western School of Law and am a Board member of Tom Homann Law Association Foundation, one of San Diego's diversity bars.

I hereby declare under penalty of perjury that the foregoing is true and correct. Executed this, the 27th day of May 2021 at Boynton Beach, Florida.

Mr. Robinson is admitted to practice in all state and federal courts in California and the Third, Fifth, and Ninth Circuit Courts of Appeals. In addition to the *Bolger* decision, he also secured a precedent-setting ruling in *M.F. v.
